

AMENDMENTS TO THE SPECIFICATION:

Please replace the paragraph beginning at page 6, line 22, with the following rewritten paragraph:

--The inner reel 25 is made of durable plastic material, and the whole outer periphery thereof is, for instance, white and opaque. A symbol sheet 35 is wrapped around the outer peripheral surface of the inner reel [[25A]] 25. A symbol "WANTED" 28, a symbol "7" 29, a symbol "BAR" 30, a symbol "2 BAR" 31, and a symbol "3 BAR" 32 are printed in the symbol sheet 35. --
